No. Policies Issued to December 31, 1869,	20,375
No. Policies Issued in 1869,	8,778
No. Policies Issued in 1869 over 1868,	2,772
Amount Insured in 1869,	\$21,246,000.00
Annual Income in 1869,	1,946,252.59
Assets of the Company, December, 31, 1869,	3,500,102.80

THE CONTINENTAL thus closes and crowns the year 1869 with a record of which any company might well be proud, and now bearing the palm and prestige of unequalled success, and in view of following important changes and improvements in our plan of doing business, which have recently been made, we enter upon 1870 with yet brighter auspices than have marked the opening of any previous year.

The Dividends to Policyholders will hereafter be made on the "Contribution Plan," and will be paid on Cash Policies in two years, and on Loan Policies in three years from the date thereof, and annually thereafter.

The Stockholders, having become convinced that the welfare of the Company and its policyholders require it, have unanimously consented that, in future, dividends upon stock shall be limited to seven per cent. (legal interest), which the six per cent. interest in gold, received by the Company on the \$100,000 U. S. bonds (amount of capital stock), deposited with the New York State Superintendent of Insurance, more than pays, thus making the CONTINENTAL a purely mutual company.

We desire to direct special attention to those important improvements, as evincing conclusively our determination to leave nothing undone which may add to the advantages already possessed by the CONTINENTAL.

J. P. ROGERS, Secretary.

JUSTUS LAWRENCE, President.

P R E F A C E .

THIS ANNUAL VOLUME of HOLBROOK'S NEWARK CITY AND BUSINESS DIRECTORY for 1870 is, in itself, evidence of the effort which has been made to produce a work reliable and creditable alike to the City as well as the Publisher. The usual difficulties in the way of obtaining correct information concerning names, among the large floating population (incident to all manufacturing cities), in a great measure still exist, and although less in dread of the "Draft," none the less in dread of "Taxation"

The population of Newark, which is estimated at 118 000, being an excess of some 5000 over last year, exhibits a gradual increase of the City. In Building much activity exists, and as our main streets become beautified with COSTLY BUILDINGS, the surrounding country becomes dotted with palatial residences, all of which betokens continued growth and prosperity.

New Railroads, also a Ship Canal connecting with New York Bay, and other traveling facilities are being projected, tending to bring Newark and the region surrounding it, nearer to New York. In fact, Newark with its Railroad connections with the South and the Great West, has become the grand entrance to the Metropolis of the Nation, the influence of which upon the future growth of this City no one can estimate; already it partakes of the enterprise of our powerful neighbor, as shown by the various improvements continually progressing and in contemplation.

THE MUTUAL BENEFIT LIFE INSURANCE CO., OF NEWARK,
762 Broad Street. See Appendix, p. 718.

The Appendix, p 709, is intended to embrace ALL matters concerning Newark, and much other, including that of United States, State of New Jersey, also of New York City, p 787, which may be of interest to the citizens generally.

The Business Directory, p 789, and Advertising Department is appreciated, as will be seen by the large number recorded therein, and as the business portion of the community realize the fact, of the increasing circulation of the work throughout the country, as a "Newark Directory," the number will be augmented.

The new CITY MAP contains the various changes of streets as well as the new portion of territory recently added to the City from Clinton Township. The Map is complete and nicely colored in accordance with the Ward boundaries, and can be obtained, with durable covers or without, at the Directory Office, 11 Mechanic-st.

JAMES A. HEDDEN,	-	-	-	<i>Treasurer.</i>

This Company issues policies upon all classes of Risks, either on the Mutual or Stock plan, and at rates as low as any good company. Mark this:
As Low as Any Good Company.

Dividends are declared annually in Scrip or Cash.

The Company will make, to parties who desire a **Quick Return**, an advance cash reduction from mutual premiums in lieu of Scrip.

This Company claims to be unequalled in its method of declaring dividends, the amount and value of the returns to the insured, and the cheapness of insurance. In a word, THE HUMBOLDT MUTUAL FIRE AND MARINE INSURANCE COMPANY, of New Jersey, will not permit itself to be outdone, either in rates, dividends, abatements, or courtesy to the public, by any good, sound, reliable company.

AMERICAN MUTUAL INSURANCE COMPANY.

No. 746 BROAD ST., NEWARK, N. J.

CHARTERED IN 1848.

CHARTER PERPETUAL.

From 40 to 50 per cent. Advance Cash Reduction (in lieu of Scrip)

Assets, January 1st, 1870, \$807,599.07

This Company is *purely mutual*, there being no stockholders to control the business for their own interest and receive a share of the profits—all of which in this Company belong to the insured, who are not liable to be assessed for losses, this being a Company owned and managed by the insured for their own interest.

The plan of declaring Scrip Dividends of fifty per cent. since the organization of the Company to parties insured on the Mutual plan, and a Cash Dividend of eight per cent. free from all taxes, to Scrip holders, has secured a uniformity of returns to the insured, and a sufficient surplus to guarantee a continuation of the same in future, and relieve from the fear of cancellation of Scrip to meet losses.

In view of the general desire for speedy returns, the Directors have decided to declare a dividend of profits to all who shall have been insured for two consecutive years previous to January 1st, 1872, and that parties who desire may receive the following advance Cash reduction from mutual premiums (in lieu of Scrip), viz:

40	per cent.	on policies for term of one year.
45	"	" " " " " " two years.
50	"	" " " " " " three "

This Company issues Mutual Stock and Perpetual Policies at as low a rate as is consistent with the security of the insured.

1. On the breaking out of a fire, notice should be immediately communicated to the nearest alarm box, keys of which are always in the hands of the police and responsible persons in the vicinity of boxes

2. Key holders, upon the discovery or positive information of a fire, will unlock box, pull down the slide or hook once, and let go quick. This gives the desired alarm over the city, repeating itself five times.

3. All persons giving the fire alarm are requested to remain by the box a moment, and if no clicking is heard in the box, pull again, if you still hear no clicking, go to the next nearest box and give the alarm from that

4. Never signal for a fire seen at a distance, never touch the hook except to give the alarm of fire, be sure the box is locked before leaving it, give an alarm for no cause other than an actual fire, do not give an alarm for a chimney

5. Owners and occupants of buildings are requested to inform themselves of the location of signal boxes near their property, also where the keys are kept. Be sure the alarm is properly given, one single stroke of the house gongs is not given for an alarm of fire.

6. Second alarm for the same fire can only be given by the Chief Engineer or one of his assistants.

7. Alarms will be sounded upon the alarm bells thus For Box Five, five strokes—1—1—1—1—1, with short intervals, and repeating, for Box Thirty-two, three strokes—1—1—1, and a pause, then two strokes—1—1, a longer pause, and repeating. Alarms for other numbers are given in a like manner.
